Commissioner for Patents

Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicants hereby notify the U.S. Patent and Trademark Office of the documents which are listed on the attached PTO/SB/08 A & B (modified) form and/or listed herein and which the Examiner may deem material to patentability of the claims of the above-identified application.

One copy of each of the listed documents is submitted herewith, except for U.S. patents and/or U.S. patent publications.

The present Information Disclosure Statement is being filed (without a Statement Under 37 C.F.R. § 1.97(e)) before a Final Office Action, Notice of Allowance, or an action that otherwise closes prosecution in the application (whichever is earlier), and therefore the fee of \$180.00 under 37 C.F.R. § 1.17(p) is to be charged to Deposit Account 19-4880.

The attached PTO/SB/08 lists the following documents. 10/26/2006 MBERHE 00000174 194880 10733450
01 FC:1806 180.00 DA

First, the attached PTO/SB/08 lists two Japanese Patent documents and a Japanese language non-patent reference (Sakurai et al.). These references were cited in a Japanese Office

Action dated September 12, 2006, which issued in a counterpart Japanese application. All other references cited in this Japanese Office Action were previously disclosed in the present U.S. application. For the Examiner's convenience, an English translation of Toshihiko SAKURAI et al. is being submitted. JPA 04-052546 and JPA 03-282348 each contain an English language Abstract which Applicants believe will convey the relevance of these documents.

Second, the attached PTO/SB/08 lists two U.S. Patents that were cited by Examiners in co-pending applications disclosing related subject matter (Li et al. and Baskaran et al.).

Finally, the remaining U.S. Patents and U.S. Patent Publications listed are commonly owned, co-pending applications disclosing related subject matter, and are being disclosed to update the Examiner as to the status of these cases.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicants do not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

Please charge the statutory fee of \$180.00 to Deposit Account 19-4880. The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.
